

The aims of Springer Rescue for Scotland are that every Springer Spaniel in Scotland should have the chance of a happy, fulfilled life in an appropriate home, and that every person or family that owns a Springer should find this to be a positive experience, and one that enhances their quality of life. Become a friend of SRS and help us achieve those aims.

If you would like to be involved in the practical side of helping Springers in Scotland, or would simply like more information about becoming one of our volunteers, please get in touch on

Veterinary Fund

Your support is vital as it enables us to:

- rescue and rehome Springers
- provide for the veterinary needs of dogs in our care, and for the ongoing needs of elderly and infirm Springers who might not otherwise find a new forever home
- encourage and support responsible ownership through information and education

We will send all our friends our two newsletters every year, providing news & views on our work. You will also find regular updates on what we are doing on our website at www.springerrescuescotland.org

It costs just £10 per year to make a difference to Springer Spaniels across Scotland, who have to be rehomed through no fault of their own.

Becoming a friend of SRS is easy. Just complete the Standing Order Mandate, and return in a sealed envelope to the address below. Or you can send a cheque.
