

When you sponsor a spaniel you'll be helping Springer Rescue for Scotland give a rescue dog the chance of a happy, fulfilled life. Not every dog that comes into our care finds a loving, forever home quickly. There are some dogs who, because of a troubled past, because of age or just bad timing, need long term care. As little as £5 a month will ensure the dogs get a second chance for a happy, fulfilled life.

If you would like to be involved in the practical side of helping Springers in Scotland, or would simply like more information about becoming one of our volunteers, please get in touch on 07950 141074 or email us at volunteers@springerrescuescotland.org

Veterinary Fund

Springer Rescue for Scotland ensures that the time a dog spends in rescue is as fulfilling as it can be through our network of foster carers and trainers. Your donation will help us to provide the care that each spaniel needs. Sometimes it is just some TLC with a foster carer, but even that means ongoing food bills and other expenses. Sometimes it means a lot of training and rehabilitation, therefore the dog has to stay with us for some time.

We need your help

We don't receive any government funding and rely totally on the generosity of people like you. 100% of your money will be used to give the dogs exactly what they need.

We will send all 'Sponsor a Spaniel' friends our two newsletters every year, providing news & views on our work. You will also find regular updates on what we are doing on our website at www.springerrescuescotland.org

You will also receive a

- A smart personalised certificate featuring a colour photo and details of your generosity
- One of our exclusive window stickers. A great way to let everyone know you're a dog's best friend!

Supporting our Sponsor a Spaniel initiative is easy. Just complete the Standing Order Mandate, and return in a sealed envelope to the address below.
